Please respond to the following questions:

1. What are the strengths of this intern?

Professor Smith-Ramey was always very clear and articulate when explaining concepts or answering questions. She has a nonjudgmental presence which welcomes questions and helped the learning environment as a whole!

2. What are the areas of improvement for this intern?

I am having difficulty identifying an area of improvement for Professor Smith-Ramey- I thought she did an excellent job throughout the semester and provided a unique and very clinical perspective to the course.

3. Do you feel that this intern helped you to develop as a counselor? If so, how? If not, how could they have contributed more to your development as a counselor?

Yes, Professor Smith-Ramey seems to take a very systematic clinical approach to her client's treatments. This perspective was helpful to me as it is important to use evidence based treatments and be able to rationalize the chosen treatment intervention used.
